

Cloth Badges with iron-on adhesive May be any reasonable shape and up to 7 colours (metallic thread is optional extra). All new badges require an embroidery computer program. No additional art charge if the logo supplied by e-mail or disk. **Each design variation or colour change is treated as a separate quantity for pricing purposes.**

A: Sizing

A square or round badge, say 60mm x 60mm is priced at 63mm. That is, the price is based on the next largest size. For badges not round or square, it is height PLUS length divided by 2, rounded up to the next largest size.

B: Variation From List Price

If stitching covers more than 75% of badge surface, please add 20% to the badge price.
 If the badge has any metallic thread, please add 20% to the badge price.
